FORT COLLINS

Kids Birthday Parties & Events Information & Pricing Sheet

As of June 15, 2020 Larimer County Health Department requires special permits for groups larger than 10 people. As COVID-19 restrictions lift we'll be back to booking larger groups

On-Site Classes

Each class includes a Chef Instructor and at least one assistant, recipes, equipment, all food and all clean-up. The minimum age for attendees is 8 years old** and we tailor recipes based on the age and likes of the students.

Parties are generally 2 hours long. The most popular birthday party themes are Desserts, Pastries, Italian (pasta making), Breakfast in France and Pizza/Ice Cream. You're welcome to bring you own cake or dessert in addition to the food we make. The host may arrive up to 20 minutes early to set up decorations.

We're happy to make accommodations around most allergies.

Pricing

Number attending	Price	Notes
1 – 6 kids	\$550	2 hour class or party
7 -10 kids	\$750	2 hour class or party
11 – 16 kids	\$900	2 hour class or party
17 – 20 kids	\$1,100	2 hour class or party

Additional Information:

1. Classes are usually 2hrs long.
2. A 30% down payment is due when signing the letter of agreement. Final payment for the class is due 1 week prior to the event.
3. Menus are decided by the Chef Instructor taking into account client requests, food allergies and type of class.
4. Every attendee, or parent or guardian if attendee is a minor, must sign a waiver. Download the waiver [here](#) or sign at the time of the party.

To book your class or for more information: kids@the-cooking-studio.com or 970-999-5179

** Additional time can be arranged for an additional fee.*

*** We can host parties for younger kids if they have a parent in the kitchen with them*

Virtual Classes

Each class includes a Chef Instructor and each participant will receive a prep list with the ingredients and equipment needed for the class. The minimum age for attendees is 9 years old unless there's an adult there to help. We tailor recipes based on the age and likes of the students.

Parties are generally 1 hour for cooking and another 30 minutes for the kids to talk over zoom. Recipes are ones that kids can make at home and include things like homemade pizza, scratch-made lemonade, chocolate mousse, pastries, and more.

We're happy to pick recipes that accommodate allergies.

Pricing

Price is \$15 per site (kitchen). Pricing is per site, not per person. Top limit is 12 sites.

Additional Information:

1. Payments need to be made 2 weeks in advance. We will then send you a link to the class registration to provide to all the people you've invited to the virtual party. We will also provide a coupon/code for those people to register at no charge.
2. All sites need to register with their email so we can send them the zoom link and the prep list that lets them know what they need to buy for the class.
